

Careful! Don't Eat Me!

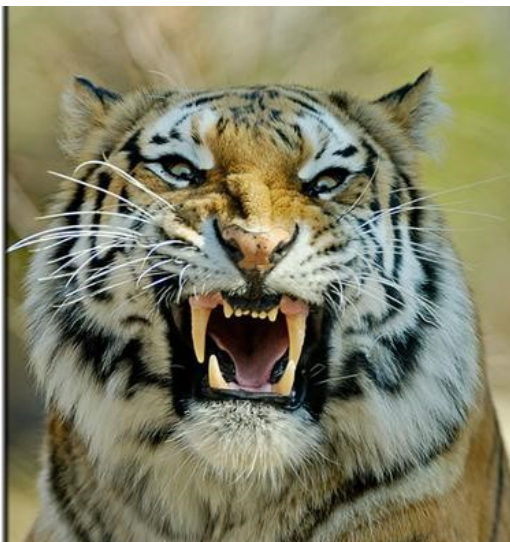

Careful! Don't Hit Me!

You can't see me....

You can't see me...

My sharp teeth help me to eat.

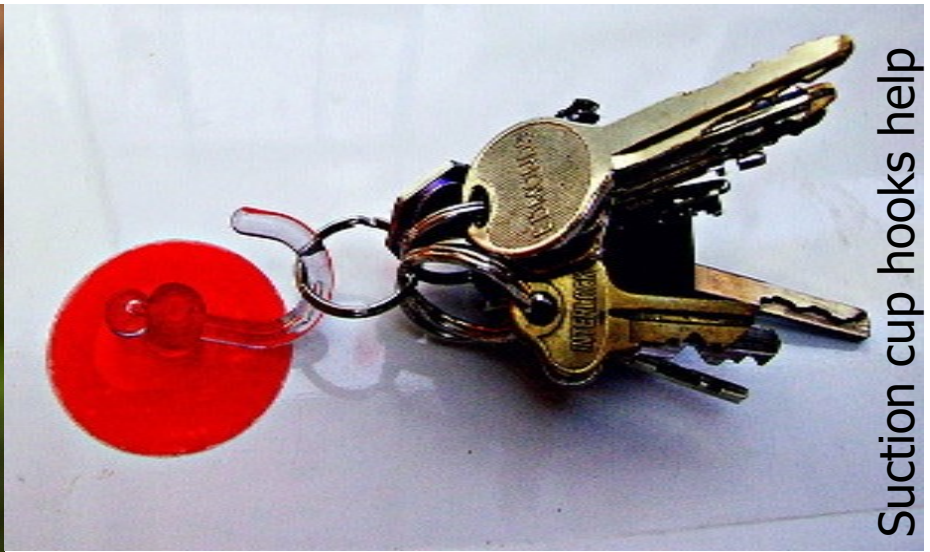

My sharp knife helps me to eat.

Match the Invention to the Adaptation

Suction cup toes help frogs cling to the wall

Suction cup hooks help keys cling to the wall

Humans fly to warm climates in winter

Monarch butterflies fly to warm climates in winter

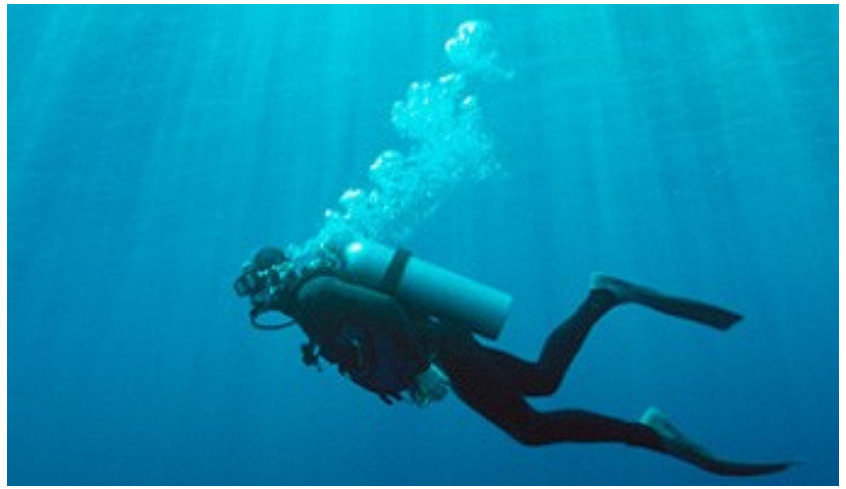

A bear's coat keeps it warm

A child's coat keeps her warm

A fish can breathe underwater

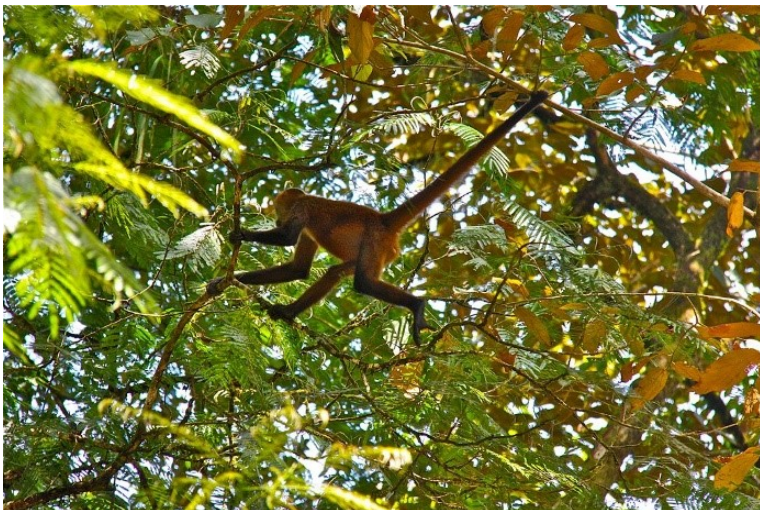

Humans use oxygen tanks to breathe underwater

Camels store fat in their humps that they can metabolize when they need water

Humans can carry containers for when they need water

Monkeys can climb trees and swing between trees

Humans build ladders to climb trees and rope bridges
