

Chorus

C F
You can be an inventor
C
it's so much fun,
G C
Dreaming big, creating for everyone.
F C
Gadgets, gizmos, ideas take flight,
G C
Inventing the future, day and night!

Verse 1:

C Am
Start with a question,
F
"What can I do?"
C Am F
How can I help make something new?
C Am F
Think of a problem, then find a way,
G
Your ideas can save the day!

Optional tag

Am F
What will you invent today?

Chorus:

C F
You can be an inventor
C
it's so much fun,
G C
Dreaming big, creating for everyone.
F C
Gadgets, gizmos, ideas take flight,
G C
Inventing the future, day and night!

Verse 2:

C Am F
Grab some paper, draw your plan,
C Am F
Use your tools, build what you can.
C Am F
Try and test, adjust, refine,
G
Inventors work with a curious mind!
[Let's test it out!]

Chorus

C F
You can be an inventor
C
it's so much fun,
G C
Dreaming big, creating for everyone.
F C
Gadgets, gizmos, ideas take flight,
G C
Inventing the future, day and night!

Verse 3:

C Am F
Invent a robot that cleans your room,
C Am F
Or a gadget that makes flowers bloom.
C Am F
Create a car that flies through the air,
G
With your imagination,
G
you can go anywhere!
[You can invent anything]

Verse 4:

C Am F
Thomas Edison and his bright light,
C Am F
Marie Curie's work shines so bright.
C Am F
Wright brothers taught planes to soar,
G
Inventors open every door!

Chorus:

C F
You can be an inventor
C
it's so much fun,
G C
Dreaming big, creating for everyone.
F C
Gadgets, gizmos, ideas take flight,
G C
Inventing the future, day and night!

Ending

(C) F C
So grab your tools and start today,
G C
Let your ideas lead the way.
F C
With creativity, you'll go far,
G
Invent the world,
C
you're a superstar!
