Out of 1000 Eggs In Issaquah Creek….

150 survive to be fry
who leave Issaquah Creek

70 survive to be smolts
in Puget Sound

10 survive to be adults
in the Pacific Ocean

1 or 2 return to spawn
in Issaquah Creek

So, of 2.5 million eggs harvested at the hatchery each year
2500 adults will return there to spawn
